Magale’s Online Resources

Available via: http://web.saumag.edu/library

Magale’s Quick Search Electronic Collections
Magale Library subscribes to a discovery service that allows students to search most of Magale’s electronic resources simultaneously. The Quick Search Electronic Collections tool is available via the Magale Library webpage. Users often find it best to limit their search to “Full-text” items to only retrieve items they can view in their entirety via the computer. Users often also choose to limit their items to “Scholarly/Peer-reviewed Journals” to assist them in retrieving scholarly materials.

Online Databases
Magale Library subscribes to many online databases. Databases are collections of online journals, magazines, newspapers, and other publications that typically contain thousands of full-text articles and citations. Magale’s online databases are available via the library’s home page; see “Electronic Resources,” then “Databases by Title.”

Magale’s Popular Online Collections:
- EBSCO Host
- Gale Databases
- JSTOR
- Science Direct Database
- ProQuest
- EBSCO eBooks
- ProQuest Ebook Central

PrepStep
This database provides resources based on the LearningExpress platform and includes additional content oriented towards 4-year universities. Included materials help with basic skills, computer applications, test preparation, and more in Adult Learning Center; Career Center; College Preparation Center; College Center; Computer Skills Center; High School Equivalency Center; Recursos para Hispanohablantes (Spanish Center); School Center (gr. 4 & up).

Online Journals
A quick way to see if the library subscribes to a specific full-text online journal is by using the A to Z list. The A to Z list is located via the library’s home page; see “Online Resources,” then “E-Journals by Title.”

Interlibrary Loan Services
Current students, faculty, and staff of Southern Arkansas University may use Interlibrary Loan Services to obtain materials from other libraries not available from Magale Library. Response times from lending libraries vary. Please allow up to two weeks for delivery of materials. You may use the appropriate online forms available via the Magale Library website under “Library Services” when Interlibrary Loan materials are needed.
